

Creating IBM Cloud Services

TEAM ID	PNT2022TMID31175
PROJECT NAME	SMART SOLUTIONS FOR RAILWAYS

TamilSelvan.D

The screenshot shows the IBM Cloud dashboard. At the top, there's a navigation bar with 'IBM Cloud' and a search bar. Below the navigation is a 'Dashboard' section with a 'Build' card and several other cards for 'Get Started with Watson Studio', 'Set up your IBM Cloud account', 'Availability Monitoring', 'Build a Virtual Private Cloud (VPC)', and 'Grant user access'. At the bottom, there are sections for 'User access', 'News' (with a card about Unified Key Orchestrator), and 'Planned maintenance'.

Sathya.S

The screenshot shows the IBM Cloud dashboard for user Sathya.S. The top navigation bar includes links for 'Catalog', 'Manage', and 'Sathya S's Account'. The main content area features a 'Dashboard' section with a 'For you' sidebar containing various service tiles such as 'Build', 'Discover the Watson Internet of Things (IoT) Platform', 'Set up your IBM Cloud account', 'Explore tutorials', 'Create an OpenShift cluster', and 'Build a Watson Deploy interface'. Below this are sections for 'User access', 'News' (with a recent item about Unified Key Orchestrator), and 'Planned maintenance'. The bottom of the screen shows the Windows taskbar with various pinned icons and system status information.

Swathi.K

The screenshot shows the IBM Cloud dashboard for user Swathi.K. The layout is identical to the Sathya.S dashboard, featuring a 'Dashboard' section with a 'For you' sidebar. The sidebar includes tiles for 'Build', 'Build a web app with Watson Speech to Text', 'Get started with Watson Discovery', 'Access to a service within resource groups', 'Unlock the entire catalog', and 'Set up account'. Below the sidebar are 'User access', 'News' (with a recent item about Unified Key Orchestrator), and 'Planned maintenance' sections. The Windows taskbar at the bottom is visible, showing various pinned icons and system status.

Elayaraja.S

The screenshot shows the IBM Cloud dashboard. At the top, there's a navigation bar with 'IBM Cloud' and a search bar. Below the navigation bar is a 'Dashboard' section with a 'For you' heading. It features several cards:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services. (Popular)
- Get Started with Watson Studio**: Get started with using AI and Cloud Object Storage in 15 minutes. (2 hr)
- Set up your IBM Cloud account**: Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources. (Getting started, 10 min)
- Build a Virtual Private Cloud (VPC)**: Upgrade to a paid account to create your own protected space in the IBM Cloud. (Getting started, 7 min)
- Use Text to Speech**: Convert written text into natural-sounding audio in a variety of languages and voices with Text to Speech. (Popular, 2 min)
- Use Watson suite of collaboration experts**: (Partially visible)

Below the 'For you' section are three smaller cards:

- User access**: Manage users. Enter email addresses below to jump directly into the invite user setup.
- News**: View all news items. One item listed: "Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS".
- Planned maintenance**: View all planned maintenance events. (View all button)

At the bottom of the dashboard, there's a taskbar with various icons and system status information: 31°C Partly sunny, ENG, 13:32, 06-11-2022, and a battery icon.

IBM Cloud Service account Created Successfully.
